2017 HOBBY CATALOG
Books, Magazines, DVDs, and More

Packed with NEW PRODUCTS on nearly every page!
Welcome to Kalmbach Publishing Co.’s 2017 Catalog of Books, Magazines, DVDs, Games, and Puzzles

Kalmbach books, created by professional enthusiasts and industry experts, continue to sell exceedingly well throughout the world. Each carefully researched title teaches and motivates your customers with clear step-by-step instructions and the relevant information they need to get the most from their hobby. Books have a proven ability to increase interest in a topic and sell specific store product. Providing the best teaching materials available on the market today helps you develop loyal and trusting customers.

Kalmbach magazines and special issues promote more frequent visits to your store. We offer you our best-selling, industry-leading publications as well as distributed titles that will round out your magazine selection and position you as the “go-to” resource. Some customers prefer to learn by watching. Kalmbach Publishing Co. offers DVDs on a wide range of topics to help you meet the needs of your customer. NEW! We're excited to introduce two recent additions to the Kalmbach product mix: jigsaw puzzles and games. Every year millions of American households purchase these family-friendly products for entertainment and fellowship. By adding Kalmbach puzzles and games to your product mix, you meet the needs and expectations of your customers while increasing your bottom line.

Waterfront Terminals and Operations

BERNARD KEMPINSKI

Rail-marine operations are a vital aspect of modern transportation, and Waterfront Terminals and Operations explores this trending topic in model railroading. The book includes:

- A historical overview of the railroad-marine interface — the terminal where railroad tracks meet lakes or sea, from a modeler’s perspective.
- Chapters on break bulk piers and terminals, grain terminals, mineral terminals, railroad ferries and car float terminals, container terminals, barge terminals, ship building, and modeling water and wharves.
- Prototype information along with buildable track plans and modeling tips.

**NEW CALENDARS & PUZZLES**

**NEW BOOKS**

**Piggyback & Container Traffic**

The all-new book, **Piggyback & Container Traffic**, is a comprehensive prototype guide to railroad intermodal equipment and operations, tracing the development of piggyback (trailer-on-flatcar) and container traffic from the steam era to today. Modelers will learn:

- What equipment and operations are appropriate for the era they’re modeling.
- How trailers and containers have been loaded onto railcars, evolving from end-ramp loading to today’s overhead cranes.
- How piggyback yards and terminals work, and much more!

- **#12804**

Model Retailer
Model Retailer is the No. 1 trade magazine for hobby retailers. With each issue you’ll get:
• Concise and in-depth industry news, including timely overviews of retail trends around the country.
• Comprehensive, full-color product coverage and reviews of the hottest new items.
• Lively interaction with readers, your fellow hobby shop owners and managers, in the “Letters” and “What’s Selling” departments.
• Business advice from experts.
• Management, financial, and marketing advice.

In order to qualify, a potential Model Retailer subscriber must prove ownership of a storefront serving the hobby market. Free to qualified hobby shop owners, Model Retailer is not for resale.

Magazine Logo Window Clings
Display the best-known brand names in hobby publishing with these self-adhesive window clings. Order by magazine title: Classic Trains, FineScale Modeler, Garden Railways, Model Railroader, and Scale Auto.
No charge to qualified retailers. (Self-adhesive stickers also available)

Model Retailer Advertising Opportunities
Magazine Shop Directories fit your budget and attract customers!
• Attract local and traveling hobby enthusiasts. Magazine readers use these directories to find retail stores nearby or even to plan their next trip. The ads are listed geographically so hobbyists can find your store quickly!
• Get your name in front of potential buyers. Take advantage of this handy resource to promote your business location, hours, phone number, and the special products you carry.
• Utilize affordable advertising. Inform thousands of hobbyists about your business for a very reasonable price per issue.
• Shop Directories are available in Classic Toy Trains, FineScale Modeler, Garden Railways, Model Railroader, and Scale Auto magazines.

Call 888-558-1544 ext. 815 for more information or to place your ad.
